Consumer Notes:

Surprisingly, thereís not a whole lot of video industry news this time around (with the exception of the repackaged AD Police in a single volume). Fortunately, there are a bunch of toys and shirts to take its place ... some of those shirts and toys are REALLY cool! The only surprising thing, though, is that there arenít MORE Pokemon toys out (it was a HUGE hit in Japan and there are TONS of toys over there.. you can find really amazing things with Pikachu on them!). Weíre sure this will change in time, though.

Ryo Ohki Plush Doll P00440 $19.95
..we've found some, but they won't
last long!!

JEFFíS PICK(S) OF THE MONTH

If youíve never seen them, those Evangelion figures are really
cool ... not to
mention being between $25 and $40 when you find them at conventions.
At $20,
theyíre a steal! If itís videotape youíre looking for and youíre over
18 (and
want to see something really deeply twisted and strange) try the third
volume
of Cool Devices. Easily, itís the worst of the group ... ask anyone
who trolls
the newsgroups about those SEEK images (thatís this)! Grab a Ryo Ohki
doll..
it's likely to be your last chance!
